SPECIFICATIONS SHEET

JABRA EVOLVE3 75

The best headset for modern work

SOUND SHARP ANYWHERE. STAY FOCUSED EVERYWHERE.

- Jabra ClearVoice™ uses breakthrough AI-powered deep learning technology, trained with 60 million real-life sentences, to isolate your voice and eliminate background noise. The result? Your voice is heard clearly in any environment.
- Jabra Advanced ANC™ dynamically adapts to your individual fit and surroundings to cancel noise and protect your focus.
- Enhanced Spatial Sound makes it feel like the person on the other end of the line is sitting right in front of you—helping to reduce fatigue during long sessions or back-to-back calls.

PERFECT VOICE PICK-UP. SEAMLESS AI INTERACTION.

- More than 9 out of 10 words picked up accurately for AI, so your voice prompts land clearly and correctly first time.
- AI-ready, built to integrate smoothly with your Gen AI assistant of choice now, and in the future.
- Voice is 3X faster than typing* for hands-free, efficient voice prompts on the go.

MADE FOR MUSIC, TOO.

- Rich, detailed sound for music and media powered by LC3 audio.
- Sound can be personalized in the Jabra Plus App** to match the tune or mood.

PROTECTS YOUR FOCUS AND YOUR HEARING

- A 360° Busylight signals 'do not disturb' from every angle, keeping unwanted interruptions at bay.
- Sidetone means you can hear how loud you sound and keep your speaking volume in check.
- IntelliTone™ and PeakStop™ protect hearing by limiting harmful sound exposure.

SLEEK DESIGN. FEATHERLIGHT ON-EAR COMFORT.

- Sleek, microphone arm-free design that looks at home everywhere, from cafés to conference rooms.
- Featherlight at just 180g—that's lighter than its predecessor, Evolve2 75.
- Foldable design with a compact travel pouch slips easily into any bag.
- On-ear design sits lightly on the ears rather than over them for the perfect balance of immersive sound and freedom of movement.

BUILT FOR TODAY. READY FOR TOMORROW.

- Free updates and fresh features via the Jabra Plus** platform keep your headset up to date with the latest technology.
- Made to last with a replaceable battery, recycled materials and up to 5 years warranty***.
- Bluetooth Low Energy technology delivers better sound, longer battery life, and supports emerging features like Auracast™, so you're always one step ahead.

SECURE AND SIMPLE TO MANAGE

- Enterprise-grade security with encrypted audio keeps conversations and data completely private.
- Easy to remotely manage and update headsets through the Jabra Plus platform.
- Users can personalize audio and update individual headsets through the new Jabra Plus mobile or desktop app** – no IT ticket required.

CONNECT INSTANTLY. CONTROL EFFORTLESSLY.

- Dedicated Microsoft Teams button for instant access to meetings.
- UC-certified and tested for seamless performance with Microsoft Teams, Zoom, and other leading meeting platforms.
- Easy-access mute button and smart auto-pause when the headset is taken off.
- Up to 22 hours of crystal-clear calls or an incredible 110 hours of music on a single charge—perfect for work and play.
- Get 5 hours of power in just 5 minutes with our rapid charge technology.
- Connect instantly with Fast Pair or the pre-paired Bluetooth® adapter and stay connected with dual connectivity and a seamless native Bluetooth experience.

*Stanford HCI Speech Study by Ryan et al.
**Evolve3 75/85 supported at launch in Jabra Plus Management (for IT admins) and Jabra Plus Mobile App (for end users), Jabra Direct, and Jabra Xpress. Transition to Jabra Plus Desktop App for end users once available.
***Protect your investment with extended warranty.
