Jabra GN

SPECIFICATIONS SHEET

# JABRA EVOLVE3 85

# The best headset for modern work

## SHARPER CALLS. DEEPER FOCUS. RICHER SOUND.

- Jabra ClearVoice™ uses breakthrough AI-powered deep learning technology, trained with 60 million real-life sentences, to isolate your voice and eliminate background noise like never before. The result? Professional call clarity in any environment.
- Stay in the zone with Jabra Advanced ANC™—it dynamically adapts to your fit and surroundings to cancel background noise for music *and* calls.
- Enhanced Spatial Sound makes every meeting feel like it's happening in the room - helping reduce fatigue across long sessions or back-to-back calls.

## PERFECT VOICE PICK-UP. SEAMLESS AI INTERACTION.

- More than 9 out of 10 words picked up accurately for AI, so your prompts land clearly and correctly first time, every time.
- AI-ready, built to integrate with your Gen AI assistant of choice, today and tomorrow.
- Voice is 3X faster than typing* so you stay hands-free and productive wherever you are.

## BUILT FOR MUSIC, TOO.

- The latest audio technology and an immersive over-ear design deliver richer, fuller sound for music and media.
- Sound can be personalized directly in the Jabra Plus App** to match tune or mood.

## PROTECTS YOUR FOCUS AND YOUR HEARING

- Unwanted interruptions can easily be avoided with the 360° Busylight.
- Sidetone means you can hear how loud you sound and keep speaking volume in check and, unlike most headsets, it works simultaneously with Jabra Advanced ANC™ for distraction-free calls without compromise.
- SafeTone™ and PeakStop™ protect hearing by limiting harmful sound exposure.

## SLEEK. LIGHT. READY TO GO.

- The sleek, modern, microphone arm-free design looks good for work, life and everywhere in between.
- The lightest headset in its class at just 220g (the same weight as an apple) with extra breathable ear cushions for all-day comfort.
- Perfectly portable with our slimmest-ever design and compact travel pouch.

## READY FOR TODAY. BUILT FOR TOMORROW.

- Free updates and fresh features via the Jabra Plus** platform keep your headset up to date with the latest technology.
- Made to last with a replaceable battery, recycled materials and up to 5 years warranty*.
- Bluetooth Low Energy technology delivers better sound, longer battery life, and supports emerging features like Auracast™—so you're always one step ahead.

## SECURE AND SIMPLE TO MANAGE

- Enterprise-grade security with encrypted audio keeps conversations and data completely private.
- Easy to remotely manage and update headsets through the Jabra Plus platform.
- Users can personalize audio and update individual headsets through the new Jabra Plus mobile or desktop app***—no IT ticket required.

## CONNECT INSTANTLY. CONTROL EFFORTLESSLY.

- Dedicated Microsoft Teams button for instant access.
- UC-certified and tested across all the most popular meeting platforms.
- Easy-access mute button and smart auto-pause when the headset is taken off.
- Up to 25 hours of crystal-clear calls or an incredible 120 hours of music on a single charge—perfect for work and play.
- Fast doesn't even cover it. 5 hours of battery in just 5 minutes with our rapid charge technology.
- Users can connect easily and instantly with Fast Pair, a pre-paired Bluetooth® adapter (included), dual connectivity and native Bluetooth back up when it's needed.

*Stanford HCI Speech Study by Ryan et al. | **Protect your investment with extended warranty. | ***Evolve3 75/85 supported at launch in Jabra Plus Management (for IT admins) and Jabra Plus Mobile App (for end users), Jabra Direct, and Jabra Xpress. Transition to Jabra Plus Desktop App for end users once available.
